Assessor Comments	A run of 43 Angus X Angus Heifers. These heifers are impeccably bred Te Mania and Rennylea Angus bloodlines. Heifers have been yard weaned and have been handled well with works with dogs, horses and bikes. These cattle would suit		

making future breeders as this is a complete drop with none retained. These Heifers are bomb proof quiet and a real credit to the vendors cattle handling abilities, ready to take home and feed or breed for the future.
