Assessor Comments	Vendor bred cross bred Heifers that are very sappy coming off the cow approx 3 weeks ago. They are in forward store condition on the do, ready for crop or good quality pasture. These heifers have been running on flooded river and Mitchell grass country with Cows in excellent condition also. Heifers have been bred by Angus and Santa Bulls from a predominately Angus/Santa Cow base, and being western bred cattle with some cross will suit all conditions. There are 2 other lots in same sale from this vendor and 1 lot from another vendor in district that may help with trucking.
