Assessor Comments	A very good line of 1 Brand Angus Steers. Steers are very good quality and only being sold due to ongoing dry conditions. Would normally be sold as heavy feeders. Steers are only in strong store condition and will do very well on good feed. Excellent temperament, steers are well grown and show true to type of Angus breeding. Steers are by Cluine Range (S16, Q999, P477) and Mountain Valley (R148) Bulls. A very good quality line of steers to take through to heavy feeders. All the hard work has been done would expect very good weight gain on good feed. Note Vendor has another lot (69 head) this sale.
