Assessor Comments	Angus backgrounder heifers that were purchased in weaner, yearling and store sales in Southern NSW/VIC approx 3-4 months ago on the back of excellent seasonal conditions and trading opportunity. They have been grazing on very good barley crop so will continue to do well on stubble or improved pasture. These heifers have been pregnancy tested empty. Heifers are going forward with many shedding winter coat and looking shiny and healthy. These heifers show true to type the Angus breed with breed quality being good. Heifers are offered alongside 3 other lots from same vendor including 2 x 3 Deck lots and 1 x 4 deck lot and will be split evenly at delivery.
