Assessor Comments	This line of Coastal bred medium frame Heifers purchased from local Saleyards are on the mid north coast, are on a forward plain of nutrition ready for a buyer to take them to their next level. Within the mob there are 2 Black Baldy heifers and 1 heifer that has a splash of Bos indicus coming through. It was noted that 1 heifer has a dot in her eye from pink eye scarring. These would be ideal to take on to feedlot entry weights or heavy MSA processing.
