Assessor Comments

Vendor is offering his complete drop of 2024 Speckle Park heifers. They are well grown and have some excellent femininity and style. They are very true to the Speckle Park breed, on top of this, these heifers are very quiet and will come up to you in the paddock and just mill around. The vendor has been building up a fantastic angus cow based of ex stud females and using the Speckle Park bull over them to produce females like this, they would not look out of place in any Speckle Park stud. These heifers are certainly the real deal and if your looking to get into the Speckle Park bred or even add to your numbers, these are top quality and wont disappoint.
