Assessor Comments	Well bred Angus and Black Baldy heifers. Heifer are out of medium to large frame cows by Bongongo and Kidman sires. Heifers show good shape and bone. All heifers were weighed 330kg plus at assessment. Heifers had tough winter as a big mob but are taking advantage of the season. If given the opportunity heifers will reach heavy feeder to kill specs. Or retained to be used in a breeding program. Surplus young heifers to take on.
