Assessor Comments	Noted performance EU Accredited steers bred out of large framed volume cows out of the highly regarded Billabong Beef herd. This lot comprises the 24 Angus steers and come with Never Ever Grassfed, JBS FA and/or PCAS Accreditation if required. Offering 51 steers over three lots in this auction with these Billabong Beef steers rarely offered as they are normally retained and taken out to heavy feeders/kill steers by the vendors. Well managed cattle that were excellent to handle in the yards and just starting to hit their straps after a tight Autumn/Winter. Great opportunity to purchase noted doing cattle with frame and reputation for performance
