Assessor Comments	Nice line heifers ready to preform. Heifers are really on the march forward soaking up the most of the spring growth. these are noted doing cattle on both grass and feed lot operations . They have been running in a large mob on a lease block. cattle are well use to single wire fences as they have been strip grazed in the past. there is a few heifers with pink eye scarring with minimal affect to vision. please note vendor has 1 other lot in this sale.
