Assessor Comments	**Bovilis MH + IBR TREATED** A great line of Angus feeder steers that are performing very well off grass. High-performing cattle that are going forward. Steers that have great length and in ideal condition to take on as long-fed Angus steers, or continue as grass-fed animals. *Buyers, there are vendor-bred steers in the draft, but they mainly consist of Western districts bred cattle bought in* **There is one Angus cross steer in the draft that has been dehorned, vendor happy to leave out at the purchasers request**.
