Assessor Comments

ACC G & G Lambert Offering 20 very well bred (EU) Poll Hereford heifers mostly vendor bred with 5 being bought in from a local farmer. They have been stacking on the weight and don't look like stopping if shown the right conditions. They present in ideal store to forward store condition with good medium/large frame to add plenty more kg's to if needed. Sired

my high noted Poll Hereford stud sires. 100% weighed between 401-556kg to average 492kg full. Highly recommended cattle that won't disappoint. Buyers please note that same vendor has 21 steers in the same sale.
