Assessor Comments

ACC G & G Lambert Offering 21 very well bred (EU) Poll Hereford and Black Baldy steers. They have been stacking on the weight and don't look like stopping if shown the right conditions. They present in ideal store to forward store condition with good medium/large frame to add plenty more kg's to if needed. Sired my high noted Poll Hereford and Angus sires. 100% weighed between 451-540kg to average 490kg with a 6 hour curfew. Highly recommended cattle that won't disappoint. Please note that 1 steer has old pink eye scaring which isn't affecting the animal. Buyers please note that same vendor has 20 heifers in the same sale.
