Assessor Comments

ACC Taronga Poll Herefords Offering 23 very well bred (EU)Poll Hereford steers that are vendor bred and have been stacking on the weight averaging 2.3kg per day for the last 28 days. They present in ideal store to forward store condition with good medium/large frame to add plenty more kg's to if needed. Sired my high noted Poll Hereford stud sires. 100% weighed at assessment ranging between 447-570kg to average 483kg after a 6 hour curfew. Highly recommended cattle that won't disappoint. Buyers please note that 1 steer has some pink eye scaring but isn't affecting the animal
