Assessor Comments	Attention buyers, An exceptional line of vendor bred, good quality, empty heifers. These Heifers were all preg tested empty on the 06/11/25 and have no access to bulls or stags since then. All 36hd mouthed up 0-2 teeth and show good weight for age and are structurally sound . They are all bred out of a Santa/Droughtmaster Hereford cow herd and by Charolais Bulls. All heifers handled very well through the yards and also in the paddock and are frequently handled in a rotational grazing program. These Heifers would suit all feed-on markets or buyers wanting a great line of heifers "ready to join" to the bull of their choice. A very good line of Vendor Bred heifers not to be missed!
