Assessor Comments	Buyers, this is a great line of vendor bred soft Angus heifers averaging 330kg. These heifers present in good store condition showing great spring of rib with natural softness. Heifers have nice length with depth. Heifers are soft smooth easy doing types that are very feminine showing good bred characteristics. Heifers are bred out of Koondooloo medium to large frame Angus cows by stud Angus sires. No bulls have been near heifers so they are ready to join. They are extremely quiet to handle and work through yards. Odd heifer has white on udder.
