Assessor Comments	Buyers, this is a good line of weaned steers that have great weight for age. These steers show plenty of softness with muscle while standing on good bone. Steers have good depth of flank with length, volume and thickness. Steers are bred out of medium to large frame Angus Santa, Santa & Charolais cross cows by top quality stud Angus & Charolais sires. Steers were good to handle through yards all being race drafted. This is a great opportunity to purchase well bred steers that are ready to do.
