Assessor Comments	Buyers, this is a great opportunity to purchase a line of vendor bred steers with plenty of breeding averaging 318kg. These steers show tremendous softness with muscle expression while standing on good bone. Steers have good depth of flank with length, volume and thickness. Steers are bred out of medium to large frame Angus Santa & Santa cross cows by top quality stud Angus sires. Steers were good to handle through yards all being race drafted. This is a great line of soft well bred steers that will do well.
