Heifers worked well through the yards with only a couple slightly stirring up in the crush that quickly settled when rejoined to the mob. The temperament of these heifers is a credit to the vendors as they were a pleasure to handle even though it was their first time back through yards since weaning.

Assessor Comments	Buyers this is a great opportunity to secure a VGQ 3 deck line of Vendor bred #5 Santa/Angus/Charolais X store condition heifers. These heifers are out of large framed Santa, Simmental & AngusX cows sired by high priced Santa, Angus and Charolais bulls and show great length/depth & bone and great weight for age. The Revilo heifers have a great reputation and are highly sought after when normally sold as Feeders, they will perform on grass or grain and would be ideally suited to the Woolworth Domestic feeder market as they were drafted into 300_400 kg weight spec ,or alternatively they have the depth of breeding ,confirmation and temperament to suit as replacements for any breeder herd .Please note one heifer observed with slight blight scarring in one eye and 1 with kinked tail ,not considered detrimental. These heifers form part of a total mob of 153 & will be drafted on a run out the basis into 1 X 3 deck & 1 X 2 deck lots
