Any Access To Bulls or Stags?	To vendor's best knowledge, this lot has had no access to bulls or stags.		
Temperament	Yards	Crush	Paddock
	Quiet: 40 head Slightly Stirry: 3 head	Quiet: 38 head Slightly Stirry: 5 head	Temperament not assessed in Paddock
	All heifers were great to handle with obvious signs of previous human exposure to be that of an excellent stockmanship nature. Any animals that did become distressed in the crush or when isolated were soon back to a calm nature once returned to the mob. Heifers were great to walk back to paddock once assessment complete.		
Handled With	Aerial (Helicopters, gyro's and planes) , Bikes , Dogs , Horses , On foot , Vehicles		
Notable Traits	Traits 2 Head fly scarring		
Assessor Comments	Buyers please see an exciting opportunity to expand your Wagyu breeding herd, or be a step in front of the rest with a great start into the Wagyu industry. This purchase comes with the safety of knowing the Hamilton Park Wagyu genetics are supporting you on both sides of this breed plan. With an excess of 25 years breeding Wagys for the international and domestic market, you are sure to be heading in a positive direction. Whether you intend on joining this exceptional lot of females or growing into a feeder to trade into the strengthening wagyu market, you will not be disappointed with you purchase. Please see all possible sire idents available in photos. follow QR code on photo for more sire information. Buyer also please note steers also available for you competition
