Very nice cattle to work in the yards. Some heifers got slightly agitated in the crush BUT they were being Pregnancy tested. They settled down nicely when returned to their mates.

Handled With	Bikes , Dogs
Assessor Comments	Vendor spends big money on his sires(To $24000 for their latest purchases) and culls heavily each year. A heavy Tail has been removed from this line, and very few heifers were removed for replacement breeders.These would certainly be ideal for a breeding herd. Vendor is offering a further 21 Limosin cross heifers this sale (similar type and weights to bring up to a B Double load).
