Assessor Comments	The "Branga Plains" herd carrys a great reputation within the cattle industry for breeding quality cattle, they only buy bulls from the top end of the catalogue. They purchase bulls with above breed average EBV's for Carcass traits and growth while selecting for low birth weight and calving ease. These EU grassfed eligible Angus heifers with a mile of pedigree would be ideal to purchase as replacement females and join to the bull of your choice, or grass or grain fatten for a domestic or export kill. Please note, vendor has another 2 lots in the same sale.
