	These heifers were extremely quiet to handle in both the yards and weigh box. they have been handled with low stress stock handling practices since birth.	
Handled With	On foot , Vehicles	

Assessor Comments	a quality line of Vendor Bred EU accredited angus heifers. the heifers are 14-16 months of age and present in forward condition. They are progeny of the Merriwa Park angus cow herd(35 years of breeding Angus cattle)they are extremely quiet to handle and would be ideally suited to either breeding or feeding. This cow herd has been producing +65 indexed MSA graded cattle for a number of years. these heifers are also eligable for grass assured programmes. please note that there is one heifer with a small amount of white on the under belly
