Assessor Comments	24 quiet and well educated angus heifers sired by Sugarloaf & Knowla Angus bulls. Located only 10 minutes South of the Dungog saleyards, these heifers are out of a line of quality commercial cows and are grass fed, antibiotic free and in good healthy order. These heifers have had no special treatment so given the opportunity on feed or pasture will go forward. 1 heifer had a very small amount of white up under flank. There was no pink eye present in any of the cattle on day of assessment, this time of year however pink eye in the area is not uncommon. Please note vendor has 25 steers also available for purchase in this sale.
