Assessor Comments: Backgrounders- Here is a great opportunity to purchase a good even line of 84 steers. Vendor bred #5s steers, HGP free, Antibiotic free. Weights range from 340kg to 419kg averaging 369.4kg at assessment. These steers have all the qualities that you'd want: structure, bone, depth, and breeding. "Manning" steers are well known performers, ideal to take through to heavier kill weights or heavier export markets. Noted one steer had small twist to his nose. There is plenty of compensatory gains to be had. ATTENTION PURCHASERS: Please note 60 days deferred payment for approved purchasers. Vendor also has another 112 steer in the same sale.
