Assessor Comments	An excellent opportunity to secure a feedlot performance based bred lot of steers. Originally bred in Holbrook, vendor moved steers to Lightning Ridge on agistment due to seasonal conditions. Pure Rennylea blood, steers are bred using selected bulls focusing on IMF and growth to suit feedlot market. Steers were drafted out of a lot of 150 on frame. *Note vendor has other lot in sale of 87hd*. Alot of compensatory weight gain to be had on these steers and do very well when shown the right feed. *Please note tight delivery window* *Please note vendor has other lot in sale*
