Assessor Comments	A very nice line of Charolais & Red Angus composite weaners. Genuine autumn 2025 drop weaner, only 7 - 8 months of age. Beautiful calves to handle. In fresh condition ready to punch onto big things early in 2026. Calves have had a full 7in1 vaccination history with booster and drench administered at weaning. All the hard work done, cattle that you could send anywhere. In perfect condition, fresh and showing plenty of shape and thickness, tick all the quality boxes. Well worth close consideration.
