Handled With

Good to handle at assessment. Cattle moved freely throughout yards.

Bikes , Dogs , Vehicles

Assessor Comments

Very well bred line of backgrounder angus steers. Steers represent the tops of the drop and show plenty of frame and minimal condition. Steers were all weighed 344-444kg at assessment and carry a clean bill of health and exhibit good temperament. Ideal steers to feed on. Plenty of compensatory weight gain to be had if shown the correct nutrition. Please
