Handled With	Very quiet heifers that are borderline docile. Didn't put a foot wrong throughout assessment Bikes , On foot , Vehicles	
Notable Traits	Traits 7 Head minor warts	
Assessor Comments	Buyers, on offer is a small but quality line vendor bred heifers that are currently showing very good weight gains on good feed. Heifers are very quiet and handled well throughout assessment they stand on good bone and are deep bodied cattle that would add quality to any herd looking to top up with replacement young breeders. There are a few heifers that have minor warts that I would think will drop off as they mature.
