Assessor Comments	Quiet, easy to handle steers & heifers that are very well bred being 100% Bongongo Angus blood (Registered Sire ID NGXR787). Front paddock cattle that you would be proud to own, great growth for their age & are really on the do being weaned on oaten hay until delivery. This line offers good options either to Capitalize on the strong cattle market and grow out to top end feeder weights or to bolster breeding herd & retain the heifer portion as future breeders.
