These steers are the second draft out of 154 offered in this sale & would normally be held for the North East Victoria feature January weaner sales where they have always lined up in Elders front lane. I would describe these Steers as excellent quality presenting in forward store condition. Weight range at assessment was 225kg - 298kg to avg 260kg curfewed. Note same vendor offers one more lot of steers & one more lot of Heifers in the same sale totaling 242 head on offer in this sale. |
