The lead of these weaners have traditionally sold in Elders front lane of the NVLX January Sales and were always sale toppers. On offer is the annual draft of weaners that are 8-9 months of age, have a weight range of 300 to 414kg to avg 339kg curfewed. No heifers have been retain, have been breed out of big roomy females and would make excellent future breeders. All cattle are by the highly
