Assessor Comments	The Annual draft of the Nankervis Nominees Hereford & Hereford x steers. These steers are sired by Yavenvale, Delaraine & Sugarloaf Hereford bulls out of large framed Hereford cows. They are 8-9 months of age and averaged 322kg in a tight weight range 304-344kg full at assessment. They have been yard weaned for 10 days prior to assessment and put out onto fresh pasture with access to hay. These steers are noted performers and always attract repeat buyer competition. Ideal steers to grow out to heavy feeder steers or export bullocks. The Nankervis family is offering three lots of steer weaners in this sale a total of 88hd. Opportunity to put together a quality line for Upper Murray bred weaners.
