Assessor Comments	A quiet line of 13 x 13 Angus cross cows and calves. 5 - 6 year old cows in their working clothes putting everything into their calves. Cows experienced a tough winter but are on the do now and will continue to go ahead well given the opportunity. Fresh sappy calves at foot sired by the Limousin bull that show plenty of shape and potential. Last years calves from these cows were sold as vealers in the local market with great results. Cows were a pleasure to handle and flowed through the yards and over the scales with ease. The Vendor may assist with delivery to Moss Vale saleyards to meet larger trucks if necessary.
