Assessor Comments	A great little line of vendor bred Speckle Park heifers ready for the bull of your choice. Heifers are bred out of Speckle cows and all are by a Wattle Grove bull. They are extremely quiet and good to handle, all heifers have not had any opportunity with any bulls or stags. These heifers would make exceptional future breeders and are ready to join. All heifers are aged between 15 to 17 months of age and have there whole life ahead of them. Don't miss this opportunity to secure this lovely line of quality quiet heifers.
