Notable Traits	Traits			
	1 Head Small White mark on face			
	6 Head White mark in udder / belly area			
Assessor Comments	Small line of Angus & Angus cross heifers with calves at foot, only selling as they are the baldys and heifers with white markings out of a line of Angus x Angus Heifers. Heifers averaged 385kg full and the calves 59kg. The heifers are well handled and provide a great opportunity to secure young breeders that can be joined at a time of your choosing to fall in line with your calving.
