Assessor Comments	A/c BUNDALEER POLL SHORTHORN STUD - Est 1944. Bundaleer Shorthorns have been breeding stud Shorthorn cattle for 81 years and their genetics have been widely used in the development and improvement of Shorthorn herds in Australia and overseas. This is a great opportunity to purchase Shorthorn females with a pedigree packed full of proven genetics. 13 cows with 6 heifer calves and 3 bull calves at foot sired by Bundaleer Record Breaker R84. All have been running back with Bundaleer Ultima U14 since 17/8/25 so possibly some 3 in 1 packages in this lot. The dry cows were not able to be preg tested but vendor will guarantee them breeding sound. Full pedigrees of all cows can be viewed in document attachment and stud transfer is available to the purchaser on request. Cows are from a JBAS 8 score herd (high assurance). Please note the vendor also has another line of heifers and calves on offer in this auction.
