Assessor Comments	A very good line of PTIC Angus/Friesian X Heifers are being offered off "Cooinda". These Heifers were purchased as 3 to 4 month old calves Ex Freedom Dairies and have grown into exceptionally good Heifers. They are due to calve the 13th March 2026 for 7 weeks. When they were pregnant tested the Vet indicated that they were all in a tight range to calve. These Heifers average 538kg curfewed and have been averaging close to 1kg a day weight gain. These would be ideal Heifers to take on with all their lives ahead of them. They are PTIC to a LBW Wannon Pastoral Angus Bull.
