Assessor Comments	An outstanding run of EU ACCREDITED, Pathfinder blood PTIC heifers. The Kumara Park cattle are noted A grade breeders of Angus cattle. These heifers have been joined for a short 7 week window to commence calving at the end of May. These heifers will grow out to be large frame with any doubt. These heifers are only being sold due to having excess breeders on hand. Kumara Park will also offer 1 other lot of PTIC heifers and 2 lots of cows and calves.
