Assessor Comments	A line of 19 Sim Angus and Hereford Angus cross PTIC heifers. AI'd to True Blue T325. This sire ticks all boxes in calving ease and high growth. The heifers had only 1 round of AI to this bull on the 10th of July 2025 and will all calve very close together. These heifers have a great frame and are ready to be calved down in the coming months. Please note the vendor has multiple lots in sale.
