Assessor Comments	A line 21 Angus/Angus with 5 Angus/Angus Santa PTIC heifers. AI'd to True Blue T325. This sire ticks all boxes in calving ease and high growth. The heifers had only 1 round of AI to this bull on the 10th of July 2025 and will all calve very close together. These heifers have a great frame and are ready to be calved down in the coming months.
