These Heifers were very quiet and easy to work through the yards.

Handled With Bikes , Dogs

**Assessor Comments** These are my own bred Heifers from the Northern Tablelands. Cattle were trucked from our farms at Stannum / Deepwater early May, yard weaned for 10 days and onto Oats 25th May. Heifers show good growth and weight for age. Ideal to go into an Angus breeding herd or onto a domestic feedlot. Odd blue eye not detrimental.
