| Assessor Comments      | An excellent line of young cows only being 2nd and 3rd calvers that will fit into any autumn calving operation, these cows had calves weaned of them 6 weeks ago and have gone forward extremely well averaging 687kg at time if assessment. Please note: 1 cow has a white circle on its side and a couple cows have white on their belly's.                                                |                                          |         |
