Very easy cattle to handle. They have had a lot of exposure to handling and yards with regular rotational grazing patterns and this also makes the cattle quiet. They were through the yards and every cow just took their turn and stood on the scales. They had just been pretested and they were a bit of push in the back pen to avoid coming to the crush again.

Assessor Comments	All the Yala Yala cattle are well handled and a pleasure to work. They are in excellent condition and have had their and raised their 2nd calf and are now due on their 3rd. A wonderful opportunity to secure young cows. Angus bulls in 3/5 and out 14/7 to start expecting calves on or about 9th February.
