Very easy cattle to handle. One cow stood off in the paddock and would move to the back, in the yard she would move behind the others.

Handled With	On foot , Vehicles
Assessor Comments	Young cows with very fresh sappy calves at foot. The cows are from 2020 drop to 2022 drop and this herd is spring calving. These three calved later than the herd. A great opportunity to secure young cows with calves at foot.
