Assessor Comments	A nice little mob of mixed age Angus cows and calves. Vendor bred over a number of years at Lyndhurst by the Aristocrat and KO angus bulls. A very even line of marked calves at foot with only one late calf upsetting the appletart! Cows are in good buckle and have been running back with the Angus bull since 15/10 and will remain so until delivery. A good solid line of cows with plenty of productive life left in them. If you're after a nice, small line of Angus cows and calves they are well worth a close look.
