Assessor Comments	These 11, 3-6yo Limousin cows are good big quiet cows that rear great calves and have recently weaned this years calves. (see photo) The cows are all Black. Preg tested at assessment to Apricot Limousin bulls, the cows are well on their way to giving the successful buyer a return next Autumn. The owners have always sourced quality bulls, and handled their animals quietly from weaning to maturity. The vendors are also offering in the same catalogue, 12 4-8yo PTIC cows and 11 2023 drop PTIC heifers. In this lot, there are 3 cows with some cracking in a front foot, see example photo.
