Assessor Comments	A small but neat run of Angus heifers on their second calf. These cattle were purchased as PTIC heifers out of the Bombala district from reputable breeder. Have been running at Merani park for the last 18th months and have been a pleasure to own. All calves unassisted and would be a welcome addition to any Angus enterprise or for a quick trade jon in the New Year. Please note: Only being sold due to property being leased out. Calves are unmarked, have had 5 in 1 and NLIS tag.
