8 Head	3rd calving PTIC cows

Assessor Comments	FINAL DISPERSAL!!! The end of an era for the DB Marks family, a great opportunity for any operation to start or increase the quality of any beef production herd. These second and third calving Hereford cows are bred for great herd management and growth. There is quality right the way through this article that any perspective buyer will not be disappointed with. There are further lots available from this vendor, split only between breed and age/calvings.
