Assessor Comments	Buyers a small but handy line of cows and calves averaging 464kg. We have three Angus cows and 1 Angus/Murray Grey. There cows are not overly heavy in weight but they are doing a cracking job of their Shorthorn sired calves consisting of 3x steers and 1x heifer averaging 145kg. Cows are medium frame but still have the capabilities to put a lot more weight on! Calves will make exceptional yearlings later on. Reason they are for sale is vendor is selling all of his stock.
