| Assessor Comments      | Buyers, an opportunity presents itself to purchase a line of 19 Good Quality weaned Angus & Charolais infused steers. These steers present in healthy store condition and will offer plenty of compensatory weight gain once settling into their new environment. Steers show all attributes to make great future feeders or bullocks, and will excel on grass, crop, or grain with a percentage of them being eligible for a Angus / Angus program. The group are very good to handle and would be easy to have around. Buyers please note, one steer with a small wart on his ear. |
